The Articles for This Month

WA5DJJ

WA5DJJ is one of the most active club members. He sends many educational emails to club members calling attention to many aspects of amateur radio. His health has been going down so at the last board meeting he said that he was going to have to skip that meeting. He will be greatly missed..

Tree Planting

The last issue of the Local Oscillator noted the passing of KF5KHL, Furman Smith. Since then a tree was planted in his honor. A certificate noting this fact was displayed at the recent board meeting.

September Meetings

To avoid interference with the major Alamogordo Ham fest., the September meetings will be postponed one week. The board meeting will be held September 7 and the September monthly meeting of the whole club will be on September 9.

CLUB INFORMATION

The MVRC Clubhouse is located at the intersection of Wilt and Jefferson. To find the clubhouse, set your destination on your GPS receiver as 32 degrees 22.961 minutes and -106 degrees 41.44 minutes. If you don't own a GPS, take the Porter exit near the firehouse on US 70. It is about 5 miles east from the I 25 interchange. Go south on Porter until you come to Jefferson. There turn left toward the mountains and go to Wilt. You will see the beam on the corner. The treasurer would be delighted to receive your contribution for landscaping and furnishing.
